@NatStrabic

A lot of interesting talks at [#NLEP14](#) and even more great people I had the pleasure of meeting! :) In short: 2.5 really amazing days! ^o^

PhDcomic moment at [#NLEP14](#) as S. Mackey accidentally turns the computers off. It doesn't stop him from giving a great and fun talk though :]

#NLEP14 2nd open problem talk again very cheerful! Should we organize an OPO (Open Problems Only) workshop? :]
